Senator Birch Bayh
Senate Office Building

Dear Senator Bayh:

Evidence is mounting that Raoul Wallenberg, the man who saved the lives of more than 25,000 Hungarian Jews in World War II, may still be alive in the Soviet Gulag. The Simon Wiesenthal Center for Holocaust Studies, 9760 West Pico Boulevard, Los Angeles, California 90035, has asked me to write,

Time and again, Wallenberg risked his own life to personally intervene and save men, women, and children from the gas chambers.

In 1945, Wallenberg was taken prisoner by Russians who captured Hungary. He was sent to Moscow and disappeared into the Soviet prison system without charge or trial.

Sincerely
